

02 / THE SUBJECT & WHY

She takes photos that deserve a bigger audience.

WHO IS YUJIA

Yujia Xie — Data Engineer Tech Lead at CVS, based in New York City. B.S. Data Science, UCSD · M.S. Data Science, Columbia University. She has a natural eye for aesthetic moments: golden-hour portraits, curated fits, cultural spaces, and quiet everyday life.

THE OPPORTUNITY

2,900+ combined followers across three platforms — but **no consistent strategy, no cross-posting, no growth system**. Great content sitting untapped. I saw the potential firsthand. This project is about unlocking it.
